

# Wood Blinds

Nature's warmth and beauty, in your home

## Luxaflex® Wood Blinds versatile and timeless

Luxaflex® Wood Blinds create the ultimate style statement. With the Luxaflex® edge in both design and operation, our collection offers infinite ways to make them your own. By combining knowledge and innovations, we create wood blinds with great looks and quality performance.

# UNPARALLELED DESIGN DETAILS

We'll ensure the best type of light control based on the requirements of your windows from a small expanse to larger windows and doors. By offering two slat sizes, 50 mm and 70 mm, you can choose just the right amount of sunlight and view to suit your design and privacy needs.

## DECORATIVE FABRIC TAPES

All our Wood Blinds can be accessorised with stylish Fabric tapes for a truly personal look. Add one of our linen-feel woven tapes in 10 mm or 38 mm to create an interesting effect. From bold or subtle colours to on-trend patterns, you can choose a look that compliments your rooms decor and style.

## MAKING IT EASY TO FEEL GOOD

We want making a good choice to be easy. You can rest assured that our Wood Blinds will arrive to you from responsible, well managed sources.

The mark of  
responsible forestry

### **FSC® (Forest Stewardship Council) Certified Wood (FSC-C020011)**

All our real Wood Blinds carry the FSC® logo and are independently certified which means that the wood is from responsibly managed forests. This ensures that the social, economic and ecological needs of present and future generations are met. From the forest to our facilities, all parts of the supply chain are audited by accredited certification bodies. Luxaflex® is committed to supporting a more sustainable world and to the conservation of the world's forests. Learn more at: [www.fsc.org](http://www.fsc.org)

# DESIGNED TO BE DIFFERENT

With a wide range of slat colours, we've created a range to excite and inspire. All made to measure specifically for your home.

## FINE WOODS

Our Supreme Woods are produced from the finest quality hardwoods, with the natural beauty of the grain at the heart of the design.

## FAUX WOOD

Our Faux Wood blinds are the ideal combination of practicality and good looks. Also available with structures to create a warm wooden look. Faux Wood blinds are possible to use in humid environments, which makes them the ideal solution for bathrooms, kitchens, pool and laundry rooms.

## CREATE YOUR OWN

Create a luxurious painted wood look to harmonize your décor and colour scheme. We can create virtually any uni paint colour you wish. From subtle tones to contemporary or on trend pastel tones – there's an individual colour that makes your home and window sing with style.

## SPECIAL STRUCTURES

Whether you want your Wood Blinds to blend seamlessly into your overall scheme or create a stunning design focus, we have the ideal solution. Our new exclusive structured designs feature subtle stripes, tactile crackle, glazed patterns and rustic vintage styles.

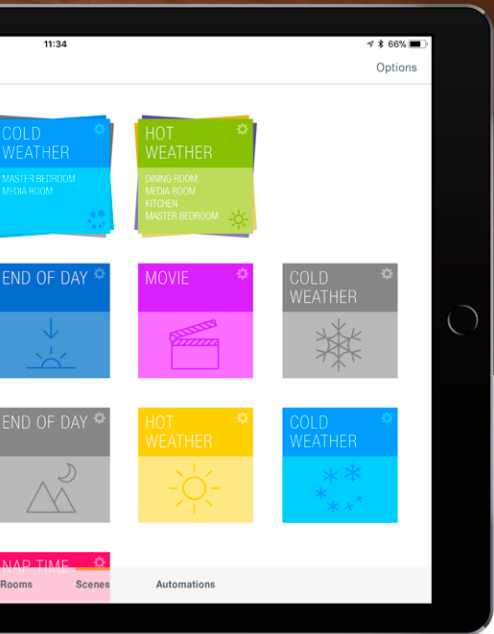

## POWERSVIEW® MOTORISATION

Our innovative products can enhance the way you live. By the simple press of a button you can enjoy the view or timed opening of your blinds to harness the morning sunrise for a gentle wake up call. Our smart home technology can elevate your daily experience. Each Wood Blind can be programmed with your PowerView® App on your smartphone, tablet or voice activated technology.

## LITERISE®

If you like to keep it simple, our unique LiteRise® cordless system is child safe and makes the raising, lowering and tilting of your Wood Blinds easier than ever. Simply push to raise, pull down to lower and tilt with the wand to achieve exactly the right amount of light you prefer.

## DESIGNED WITH SAFETY IN MIND

We consider child safety a top priority and all our products are designed keeping this in mind. From fully motorised to cordless alternatives. Luxaflex® puts your family's safety first. So, you can relax and enjoy, knowing your new Luxaflex® Wood Blinds do good as well as look good.

At Luxaflex® our window treatments start with **great design**. Light control, **energy efficiency**, and the convenience of **motorisation** are just some of the innovations that enhance the beauty of every room, every day – made to measure with a **five-year guarantee**.
